COVID/RSEQ Updates

On Monday October 5, CEGEPs voted unanimously on the following recommendations:

Fall sports: End all fall leagues currently active. Allow all CEGEPs to continue playing exhibition games if they wish to do so (as long as they are not in a Red zone).

Full year sports: These sports leagues will not start before January 1. The only exception to this is hockey that may start between now and January 1. Allow all CEGEPs to play exhibition games when possible as long as they are not in a Red zone.
